## E&O CONSTRUCTION

As a leader in insurance for the construction industry, REVAU is more than ever at heart of the market and a must for all your professional liability insurance needs, for contractors and all other construction professionals.

Frequently required by project owners, this multi-year Project E&O policy is meant to cover all the professionals involved in a project and provides a dedicated limit that cannot be eroded by claims from other projects.

One of the broadest products on the market for design-builders, general contractors and specialized contractors with design, technical services, project management (agency or at risk) exposures (performed by or on behalf of).
