– *Expertise*

**Specialists who know
the risks,**
And master them perfectly.

Revau product

Transport.

Revau's an exclusive partner of Echelon Insurance, providing you with the most comprehensive and versatile product currently available on the market.

Fast, simple and tailored

Revau's Transport program is designed for owners of heavy-duty vehicles transporting goods in Canada and the United States.

Capacity

Our liability coverage, up to \$ 5,000,000 included:

- _ Chapter B deductible waiver for not-at-fault collisions anywhere in North America (Quebec only)
- _ Cargo insurance up to \$ 500,000 (subject to increase)
- _ Profit Sharing Endorsement
- _ Loss of use or loss of income endorsement for an amount of \$ 7,500
- _ Optional property coverage o \$ 10,000 (including a wide range of extended coverage) can be added without the need to complete an application
- _ Revau also offers a wide variety of coverages on the same policy (SPF6, SPF4, contingency, cargo, etc)

Appetite

- _ Refrigerated Transport
- _ Specialized Transport
- _ Transport of used vehicles
- _ Transport of consumer goods
- _ Transport of animals

A world
where access
to commercial
insurance is
**fast, tailored
and simple.**
